Alex will treat us to a pre-taste of his new dances (as yet unpublished, but due to appear soon as the fifth volume of the Tweeddale Collection). If we ask nicely, he may also remind us of some of the favourites from earlier collections, such as “The Mathematicians”, “Ilka Joy”, “Miss Becky Flower” or “The Jelly Roll”. The event is open to all dancers. Some dances may be challenging, but if you're unsure about your ability, please consult your teacher. Why not come along and give it a go?
